

Racers full name: Andrew Butler

Age: 24

Years raced at the Burg: 19

Hometown: Cincinnati, OH

School: Oak Hills High School, University of Cincinnati

Work: Neiheisel Steel, Estenson Racing

Racing Highlights: A few track Championships at the Burg. I was never really that great, just crashed a lot. Best thing I ever did was quit riding and become a mechanic!

Future plans: Continue to try to improve myself as a mechanic and coach. Hopefully one day win a twins championship as a tuner.

2018 plans: To assist AFT Singles #1 rider Kolby Carlile as his Tuner, to another Singles championship.

What got you into racing: My Dad and my Grandpa, They both have raced at Lawrenceburg for years so I guess you could say it's in my blood.

Favorite Racer: Well of course, Estenson Racing's Kolby Carlile and Jake Johnson

Favorite Racer pt.2: My Dad, Mike Butler. There is no one more exciting to watch, he might be old but he's still fast.

Mustard or Ketchup: Both, but Hot Sauce is my go to for Everything.

Sponsors you'd like to thank : Lawrenceburg Motorcycle Speedway, Western Hills Honda Yamaha, Mom and Dad, my wife Jennifer, Grandpa John, Lowe Racing, Wilhelm Racing, Estenson Racing, and anyone else who has helped along the way whether I was a rider or a mechanic, Thank You!

Special Thanks to Lawrenceburg Motorcycle Speedway and the entire Benkert family for giving everyone an excellent place to race every year, and working as hard as they do on their own time and money. With out them and the track, I wouldn't be who I am today!
